FAREWELL MESSAGE

6th Oceania Veteran Games, Norfolk Island

The Norfolk Island Association of Veteran Athletes would like to thank all those who helped make the Games such a success -

Thank you to the members of the organising committee who worked tirelessly and supplemented our small club, and to the people of Norfolk Island from all walks of life who helped develop the school oval, worked on the field and behind the scenes and entered into the spirit of the Games.

We thank Norm Coop and all the overseas officials who helped run a very smooth meeting and without whose generous participation we could not have run the Games.

We are grateful to our many sponsors who took away our financial worries and allowed us to concentrate on organising.

Last but not least, we thank you, our fellow athletes, who came to Norfolk Island and competed in the true Veteran spirit which makes competing in Veteran Athletics the wonderful experience that it is.

We trust you have enjoyed your stay on Norfolk Island and hope you will return. We would love to welcome you and your friends again.

Ian Anderson
President.
